SUMMARY OF OBSERVATIONS

On October 30, 2024 11:38 PM, the California Environmental Protection Agency, Department of Toxic Substances Control (DTSC), conducted an inspection of:

Facility Name: EWASTE DISPOSAL INC

Facility Address: 1048 IRVINE AVE #1069, NEWPORT BEACH, CA 92660

EPA ID Number: CAL000310168

As a result of this inspection, no violations of California Hazardous Waste Control Law and its implementing regulations were identified by the inspector(s). However, DTSC is still reviewing compliance information and, if applicable, evaluating any issues identified in the Issue(s) of Concern section. The fact that the inspector did not identify a violation does not mean that no conditions exist which might constitute one or more violations, only that the inspector(s) did not identify a violation. If violations are found after the site visit, DTSC will notify the facility in writing.

DTSC will subsequently provide a complete inspection report.
