EWASTEDISPOSAL INC
2221 HOLLY LN NEWPORT BEACH, CA 92663

Dear Thomas Abercrombie,

Congratulations! I am pleased to inform you that EWASTEDISPOSAL INC has been approved for the following U.S. Small Business Administration (SBA) certification(s):

- Veteran-Owned Small Business (VOSB)
- Service-Disabled Veteran-Owned Small Business (SDVOSB)

EWASTEDISPOSAL INC is eligible for VOSB / SDVOSB contracts and will be identified as a certified VOSB / SDVOSB program participant in [DSBS](#) as of the date of this letter, **02/27/2025**.

To align with your existing certification, your effective date for recertification for all your SBA certifications is **02/27**. **Your first certification renewal will be due 2/27/2028**.

Responsibilities

The information below sets forth requirements related to your business' continued eligibility and its responsibilities as a certified program participant:

- **Reporting Changes:** You are required to notify SBA in writing of changes to your business that could affect its eligibility. Please refer to the attached supplemental pages for more details and examples.
- **System for Award Management (SAM.gov):** You must keep the business' SAM.gov profile and DSBS records up-to-date in order for the business to receive benefits from our Programs (i.e., to be identified by contracting officers as eligible to be awarded small business set-aside contracts and to be paid under any such contracts). You must validate your business' SAM.gov information at least annually or your SAM.gov registration will become inactive. If you need assistance in updating the

Subject: Small Business Enterprise Certification

Dear Mr. Thomas Abercrombie:

Congratulations, and thank you for your interest in the SBE program. We are pleased to advise you that after a thorough review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the certification eligibility guidelines as outlined in Metro's SBE Program. Your firm will be listed in Metro's database of certified SBEs under the following areas of expertise:

NAICS 562112: HAZARDOUS WASTE COLLECTION
NAICS 541513: COMPUTER FACILITIES MANAGEMENT SERVICES
NAICS 562111: SOLID WASTE COLLECTION
NAICS 562910: REMEDIATION SERVICES

Your SBE certification applies only for the North American Industry Classification System (NAICS) codes listed above. You may review your firm's information in Metro's SBE database at <https://smallbusinessquery.metro.net>. Any additions and/or revisions must be submitted to Metro for review and approval.

In order to ensure your continued SBE status, Metro requires all SBE certified firms to update their certification annually. A Declaration of Eligibility (DOE), along with supporting documentation, must be submitted by the anniversary date of your firm's certification. If no changes are noted, then your SBE status remains current. If there are changes, Metro will conduct a review to determine continued SBE eligibility. Please note, your SBE status remains in effect unless Metro notifies you otherwise.

Should any changes occur that affect your certification status, such as circumstances affecting your ability to meet size standards, personal net worth, disadvantaged status, ownership, control, or any material changes in the information provided with your application should be immediately disclosed to Metro. Failure to submit annual DOE documentation and/or change of information will be deemed a failure to cooperate and your firm will be removed from the Metro SBE database.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your SBE certification is subject to a comprehensive review at any time. Should you have any questions, please contact us at 213-922-2600 (Option 1). For information on Metro contracting opportunities, please visit our website at www.metro.net/connect.

Sincerely,

To Whom It May Concern:

My name is Joshua Rosenbaum, Senior Management Analyst for the City of Newport Beach Utilities Department. For the past several years, Ewaste Disposal and its principal Mr. Thomas Abercrombie, have provided an exemplary level of service to the City. Ewaste Disposal has been a very responsive and cost-efficient company that has assisted the City for several years in the proper removal and transport of the roll-off bin(s) filled with underground AC pipe and other hazardous materials collected by City staff during field operations.

I am pleased to recommend Ewaste Disposal and Mr. Thomas Abercrombie to provide vital hazardous material collection and disposal services for the Army Corp of Engineers in the aftermath of the Eaton/ Pacific Palisades fires. As the next phase of dealing with the most catastrophic wildfires ever experienced in Southern California commences, the clean-up, I am confident that Ewaste Disposal and their staff will provide above and beyond satisfactory and a high-quality level of service to the communities in which they will be called upon to serve.

Should you have any questions about the City of Newport Beach experiences with Ewaste Disposal, I'd be happy to answer any questions. I can be reached at (949) 644-3057.

Sincerely,

Joshua Rosenbaum
